Alphabet Series

(Direction 1-5): Study the following information carefully and answer the given questions:

TASTY HASTY CANDY NANCY FANCY

1) If the first letter of all the words is changed to its next letter of the English alphabetical series, then how many words will have more than one vowel?

- A) None
- B) Three
- C) Two

- D) One
- E) More Than Three

2) How many letters are there in between the third letter of the first word from the left and third letter of the second word from the right according to alphabetical series?

- A) One
- B) Two
- C) Three
- D) More Than Three

Alphabet Series Questions for Bank PO Prelims Exam

E) None of These

3) If all the words are written together without any space then which of the following letter is seventh to the right of the fourteenth letter from the right end?

A) C

B) A

C) N

D) Y

E) None of These

4) If each consonant of all the words is changed to its next letter and each vowel of all the words is changed to its previous letter of the English alphabetical series, then how many words will form meaningful English words?

A) One

B) Two

C) None

D) Three

E) More Than Three

5) Which alphabet is 3rd from the left in the meaningful four-letter word formed from the first, fourth, third and second letter of the second, third, fourth and fifth word from the left respectively using each letter only once? If more than one word is formed then mark answer as X and no meaningful word is formed then mark answer as Z.

A) Z

B) X

C) H

D) D

E) N

(Direction 6-10): Study the following information carefully and answer the given questions:

CLAPS ANGER STORY DANCE SHORT

6) If all the words are written together without any space and then arranged in an alphabetical order, which of the following letter is sixth to the left of the tenth letter from the right end?

A) E

B) G

C) H

D) L

E) N

7) If all the letters within each word are arranged in an alphabetical order then how many words have two or more vowels together?

A) None

B) One

C) Two

D) Three

E) More Than Three

Alphabet Series Questions for Bank PO Prelims Exam

8) If each consonant of all the words is changed to its next letter and each vowel of all the words is changed to its previous letter of the English alphabetical series, then how many words will form meaningful English words?

- A) One
- B) Two
- C) None
- D) Three
- E) More Than Three

9) Which alphabet is 3rd from the right in the meaningful five-letter word formed from the third, second, fourth, fifth and fifth letter of the first, third, third, fourth and fifth word from the left respectively using each letter only once? If more than one word is formed then mark answer as X and no meaningful word is formed then mark answer as Z.

- A) Z
- B) X
- C) T
- D) A
- E) E

10) If the middle letter of each word is eliminated then how many words have at least one vowel?

- A) Two
- B) Three
- C) None

D) Four

E) More Than Four

(Direction 11-15): Study the following information carefully and answer the given questions:

TRASH DRONE PARTY CRANE HACKS

11) If the second letter of all the words from right is changed to its next letter of the English alphabetical series, then how many words will have more than one vowel?

- A) Two
- B) Three
- C) None
- D) Four
- E) More Than Four

12) How many letters are there in between the third letter of the fourth word from the left and third letter of the middle word according to alphabetical series?

- A) Five
- B) Six
- C) Seven
- D) Less Than Nine
- E) More Than Ten

13) If each consonant of all the words is changed to its next letter and each vowel of all the words is changed

Alphabet Series Questions for Bank PO Prelims Exam

to its previous letter of the English alphabetical series, then how many words will form meaningful English words?

- A) One
- B) Two
- C) None
- D) Three
- E) More Than Three

14) If the first and the second letter of each word is interchanged then how many of the following words are starting from vowel?

- A) One
- B) Two
- C) None
- D) Three
- E) More Than Three

15) If the first letter of each word is changed to its next letter as in English alphabetical series and then each letter within all the words is arranged in an alphabetical order then how many of the following words are ending with vowel?

- A) One
- B) None
- C) Three
- D) Two
- E) More Than Three

(Direction 16-20): Study the following information carefully and answer the given questions:

BREAK ALARM JERKY FUFFY AXONE

16) If the first and the third letter of all the words are interchanged then how many meaningful words will form?

- A) One
- B) Two
- C) Three
- D) More Than Three
- E) None

17) If a letter 'S' is added at the end of the all words then how many meaningful words will form?

- A) One
- B) Two
- C) Three
- D) More Than Three
- E) None

18) If all the words are written together without any space then which of the following letter is Seventh to the right of the Eighteenth letter from the right end?

- A) R
- B) K
- C) F
- D) Y

Alphabet Series Questions for Bank PO Prelims Exam

E) U

19) If each consonant of all the words is changed to its next letter and each vowel of all the words is changed to its previous letter of the English alphabetical series, then how many words will form meaningful English words?

- A) None
- B) Two
- C) One
- D) Three
- E) More Than Three

20) If the first letter of each word is changed to its next letter and the last letter is changed to its second next letter as in English alphabetical series then how many meaningful words are formed?

- A) None
- B) One
- C) Two
- D) Three
- E) More Than Three

(Direction 21-25): Study the following information carefully and answer the given questions:

LEMON JUICE DRINK GLASS DAILY

21) If all the words are written together without any space then which of the following letter is Eighth to the right of the thirteenth letter from the left end?

- A) D
- B) A
- C) S
- D) I
- E) None of These

22) How many letters are there in between the second letter of the first word from the left and third letter of the third word from the right according to alphabetical series?

- A) One
- B) Two
- C) Three
- D) More Than Three
- E) None of These

23) If the middle term is changed to its next letter as in English alphabetical series then how many of the following words have no vowel?

- A) None
- B) One
- C) Two
- D) Three
- E) More Than Three

Alphabet Series Questions for Bank PO Prelims Exam

24) If the third and the fifth letter of each word is interchange then how many of the following words will end with Vowel?

- A) None
- B) One
- C) Two
- D) Three
- E) More Than Three

25) If the first letter of each word is changed with its opposite letter then how many of the following word will start with Consonant?

- A) Two
- B) One
- C) Three
- D) More Than Three
- E) None

(Direction 26-30): Study the following information carefully and answer the given questions:

MAIZE DRIVE TEASE ALONG STORM

26) If each consonant of all the words is changed to its next letter and each vowel of all the words is changed to its previous letter of the English alphabetical series, then how many words will form meaningful English words?

- A) One

- B) Two
- C) Three
- D) None
- E) More Than Three

27) If all the Vowels of the given words are arranged in an alphabetical order first then all the consonant are arranged in a reversed alphabetical order within the word then how many of the following words will form meaningful word?

- A) None
- B) Two
- C) Three
- D) One
- E) More Than Three

28) In above question if all the letters after arrangement written together (All vowels are written first and then all consonants are written) without any space between them then which of the following letter is Ninth to the left of Tenth letter from the right end??

- A) I
- B) E
- C) O
- D) A
- E) Z

Alphabet Series Questions for Bank PO Prelims Exam

29) If all the letters within each word are arranged in an alphabetical order then how many words have two or more vowels together?

- A) None
- B) One
- C) Two
- D) Three
- E) More Than Three

30) If the middle letter of each word is eliminated then how many words have at least two vowels?

- A) One
- B) Three
- C) Two
- D) Four
- E) More Than Four

(Direction 31-35): Study the following information carefully and answer the given questions:

BRING ALERT FRAUD CRUEL NOVEL

31) If all letters within each word is arranged in reverse order then how many of the following words will form meaningful word?

- A) One
- B) Three
- C) Two
- D) Four

E) More Than Four

32) If letters 'TY' is added at the end of each word then how many of the following words will form meaningful word?

- A) One
- B) Three
- C) Two
- D) Four
- E) More Than Four

33) If the first letter of each word is changed with its opposite letter then how many of the following word will start with Vowel?

- A) Two
- B) One
- C) Three
- D) More Than Three
- E) None

34) If each consonant of all the words is changed to its next letter and each vowel of all the words is changed to its previous letter of the English alphabetical series, then how many words will form meaningful English words?

- A) One
- B) Two
- C) None
- D) Three

Alphabet Series Questions for Bank PO Prelims Exam

E) More Than Three

35) Which alphabet is 3rd from the left in the meaningful four-letter word formed from the first, second, third and fifth letter of the second, fourth, first and third word from the left respectively using each letter only once? If more than one word is formed then mark answer as X and no meaningful word is formed then mark answer as Z.

- A) Z
- B) X
- C) D
- D) I
- E) R

(Direction 36-40): Study the following information carefully and answer the given questions:

GHOST BLINK DRAIN BRIDE TASTE

36) If the first letter of all the words are eliminated then how many meaningful words will form?

- A) One
- B) Two
- C) None
- D) Three
- E) More than three

37) If all the words written together without any space between them then which of the following letter is Sixth to the right of twelfth letter from the left end?

- A) R
- B) I
- C) B
- D) D
- E) E

38) If the first letter of each word is changed to its second previous letter as in English alphabetical series then how many meaningful words will form?

- A) One
- B) Two
- C) None
- D) Three
- E) More Than Three

39) How many letters are there in between the third letter of the second word from the left and fifth letter of the middle word according to alphabetical series?

- A) One
- B) Two
- C) Three
- D) More Than Three
- E) None of These

Alphabet Series Questions for Bank PO Prelims Exam

40) If first and fourth letter of each word is interchange then how many of the following words remain unchanged?

- A) None
- B) Two
- C) One
- D) More Than Three
- E) None of These

(Direction 41-45): Study the following information carefully and answer the given questions:

BLACK WHITE CREAM GREEN BROWN

41) If the first letter of each word is changed to its next letter as in English alphabetical series then how many meaningful words will form?

- A) None
- B) Two
- C) One
- D) More Than Three
- E) None of These

42) If all the vowels are written first together and then all the consonants are written together in an English alphabetical series then which of the following letter is seventh to the right of the fourteenth letter from the right end?

- A) N

- B) R
- C) O
- D) T
- E) None of These

43) How many letters are there in between the third letter of the fourth word from the left and second letter of the fourth word from the right according to alphabetical series?

- A) Two
- B) One
- C) Three
- D) More Than Three
- E) None of These

44) If the middle letter of each word is eliminated then how many words have at least one vowel?

- A) Two
- B) Three
- C) None
- D) Four
- E) More Than Four

45) If each consonant of all the words is changed to its next letter and each vowel of all the words is changed to its previous letter of the English alphabetical series, then how many words will form meaningful English words?

- A) One

Alphabet Series Questions for Bank PO Prelims Exam

- B) Two
- C) Three
- D) More Than Three
- E) None

(Direction 46-50): Study the following information carefully and answer the given questions:

QUEUE GAZAL STUCK JEWEL LEVEL

46) If the second and the fourth letter of all the words are interchanged then how many meaningful words will form?

- A) One
- B) Two
- C) Three
- D) More Than Three
- E) None

47) How many letters are there in between the fourth letter of the first word from the left and third letter of the second word from the right according to alphabetical series?

- A) One
- B) Two
- C) Three
- D) More Than Three
- E) None of These

48) If the middle letter of each word is changed to its next letter as in English alphabetical series then how many words have more than two vowels?

- A) One
- B) Two
- C) Three
- D) More than Three
- E) None

49) If the first letter of first word from left is changed with second letter of second word and second letter of second word is changed with third letter of third word and so on. How many meaningful words will form?

- A) None
- B) One
- C) Two
- D) Three
- E) More Than Three

50) If all the vowels in each word is changed to its next succeeding vowel then how many meaningful words will form?

- A) None
- B) Three
- C) Two
- D) More Than Three
- E) One

Alphabet Series Questions for Bank PO Prelims Exam

Detailed Explanation with Answers:

Answers (1-5):

- 1) B
- 2) D
- 3) A
- 4) C
- 5) E

Solutions (1-5): The series given in this question is:

TASTY HASTY CANDY NANCY FANCY

1) In this question we have to change the first letter of each word to the alphabet as per the alphabetical order and the new series will look like this:

UASTY IASTY DANDY OANCY GANCY

As per the new series, there are three words which have more than one vowel and they are **UASTY, IASTY and OANCY**

So, answer is **Three**

Answer: **B (Three)**

2) In this question, the third letter of the first word from the left end is **S** and the third letter of the second word

from the right end is **N** and the number of letters between **S** and **N** is **Four**

So, answer is **Four**

Answer: **D (More Than Three)**

3) In this question we have to write all the letters together without any space and the new series will look like this:

TASTYHASTYCANDYNANCYFANCY

In this question, the letter which is fourteenth from the right end is **A** and the letter which is seventh to the right of this letter is **C**

So, answer is **C**

Answer: **A (C)**

4) In this question we have to change all the consonants to the next letter and all the vowels to the previous letter as per the English alphabetical series, so the new series will look like this:

UZZTUZ IZZTUZ DZZOEZ OZZODZ GZZODZ

As per this new series there are no meaningful words which are framed.

So, answer is **NONE**

Alphabet Series Questions for Bank PO Prelims Exam

Answer: C (None)

5) In this question we have to look out for first, second, third and fourth letter of the second, third, fourth and fifth word from the left respectively using each letter only once and the words will be **H, D, N and A**

As per these words there is only one meaningful word which can be framed and that is **HAND** and the letter which is 3rd from the left end is **N**

So, answer is **N**

Answer: **E (N)**

Answers (6-10):

6) C

7) B

8) C

9) E

10) A

Solutions (6-10): In this question the series given is:

CLAPS ANGER STORY DANCE SHORT

6) In this question, first we will write all the words together without any space and the new series will look like this:

CLAPSANGERSTORYDANCESHORT

Now we will arrange all these letters in alphabetical order and the new series will look like this:

AAACCDEEGHLNNOOPRRRSSSTTY

Now from the above series letter which is tenth from the right end is **P** and the letter which is sixth from the left of **P** is **H**

So, answer is **H**

Answer: **C (H)**

7) In this question we will arrange all the letters within the word in alphabetical order and the new series will look like this:

ACLPS AEGNR ORSTY ACDEN HORST

Now as per the series there is only one word in which two or more vowels are together and that word is **AEGNR**

So, answer is **AEGNR**

Answer: **B (One)**

8) In this question we will change all the consonants to the next letter as per English alphabetical series and all the vowels are changed to the previous letter and the new series will look like this:

Alphabet Series Questions for Bank PO Prelims Exam

DMZQT ZOHDS TUNSE EZODD TINSU

As per the above series there are no meaningful word which is framed

So, answer is **None**

Answer: **C (None)**

9) In this question we have to find the meaningful word which can be framed from third, second, fourth, fifth and fifth letter of the first, third, third, fourth and fifth word from the left respectively. So, the letters which will come from this equation will be **A, T, R, E and T**

So, from all these letters there is only one meaningful word which is possible and that word is **TREAT**.

Now, the letter which is 3rd from the right end of word **TREAT** is **E**

So, answer is **E**

Answer: **E (E)**

10) In this question we have to eliminated the middle letter of each word and the new series will look like this:

CLPS ANER STRY DACE SHRT

As per the new series, there are only two such words which have at least one vowel and those words are **ANER and DACE**

So, answer is **ANER and DACE**

Answer: **A (Two)**

Answers (11-15):

11) B

12) E

13) C

14) B

15) A

Solutions (11-15): The series given in this question is:

TRASH DRONE PARTY CRANE HACKS

11) In this question, we have to change second letter of all the words from right to its next letter of the English alphabetical series and the new series will look like this:

TRATH DROOE PARUY CRAOE HACL S

As per the new series, there are only three words which have more than one vowel and these words are:

DROOE, PARUY and CRAOE

So, answer is **DROOE, PARUY and CRAOE**

Answer: **B (Three)**

12) In this question we have to find how many letters are there between the third letter of the fourth word from the left and third letter of the middle word according to alphabetical series.

Alphabet Series Questions for Bank PO Prelims Exam

Letter which is third of the fourth word from the left and third letter of the middle word is **A and R** and the number of letters between **A and R** is **16**

So, answer is **16**

Answer: **E (More Than Ten)**

13) In this question, we have to change all the consonants to the next letter and the vowels are changed to the previous letter as per English alphabetical series and the new series will look like this:

USZTI ESNOD QZSUZ DSZOD IZDLT

As per this above series which is newly formed, there are no meaningful words which are framed.

So, answer is **NONE**

Answer: **C (None)**

14) In this question we have to interchange first and second letter of all the words and the new series will look like this:

RTASH RDONE APRTY RCANE AHCKS

As per the new series there are only two words which are starting from the vowel and they are **APRTY** and **AHCKS**

So, answer is **APRTY and AHCKS**

Answer: **B (Two)**

15) In this question firstly, we have to change the first letter of each word to the next letter as per English alphabetical series and the new series will look like this:

URASH ERONE QARTY DRANE IACKS

Now from the above series, we have to arrange all the letters as per English alphabetical series within each word and the new series will look like this:

AHRSU EENOR AQRTY ADENR ACIKS

Now, as per this new series there is only one word which is ending with vowel and that word is **AHRSU**

So, answer is **AHRSU**

Answer: **A (One)**

Answers (16-20):

16) C

17) B

18) D

19) A

20) B

Solutions (16-20): The series given in this question is:

BREAK ALARM JERKY FUFFY AXONE

Alphabet Series Questions for Bank PO Prelims Exam

16) In this question, we have to interchange first and the third letter of each word and the new series will look like this:

ERBAK ALARM REJKY FUFFY OXANE

As per this new series, there are three meaningful words which will be framed and they are as follows: **ALARM, FUFFY and OXANE**

So, answer is **ALARM, FUFFY and OXANE**

Answer: **C (Three)**

17) In this question we have to add letter S at the end of each word and the new series will look like this:

BREAKS ALARMS JERKYS FUFFYS AXONES

As per this new series there are only two meaningful words which are framed and they are **BREAKS and ALARMS**

So, answer is **BREAKS and ALARMS**

Answer: **B (Two)**

18) In this question we have to write all the letters together without giving any space, so the new series will look like this:

BREAKALARMJERKYFUFFYAXONE

As per this new series the letter which is eighteenth from the right end is **A** and the seventh letter which to the right of A is **Y**

So, answer is **Y**

Answer: **D (Y)**

19) In this question, we have to change all the consonants to the next letter and the vowels are changed to the previous letter as per English alphabetical series and the new series will look like this:

CSDZL ZMZSN KDSLZ GTGGZ ZYNOD

As per this above series which is newly formed, there are no meaningful words which are framed.

So, answer is **NONE**

Answer: **A (None)**

20) In this question we have to change the first letter of each word to the next letter and the last letter of the word will be changed to the second next letter as per English alphabetical series and the new series will look like this:

CREAM BLARO KERKA GUFFA BXONG

As per this new series there is only one meaningful word which will be framed that word is **CREAM**

So, answer is **CREAM**

Answer: **B (One)**

Alphabet Series Questions for Bank PO Prelims Exam

Answers (21-25):

- 21) A
- 22) C
- 23) C
- 24) E
- 25) D

Solutions (21-25): The series given in this question is:

LEMON JUICE DRINK GLASS DAILY

21) In this question we have to write all the letters together without giving any space, so the new series will look like this:

LEMONJUICEDRINKGLASSDAILY

As per this new series the letter which thirteenth from the left end is **I** and eight to the right of **I** will be **D**

So, answer is **D**

Answer: **A (D)**

22) In this question we have to find the number of letters between second letter of the first word from the left and third letter of the third word from the right according to alphabetical series

So, letter which is second letter of the first word from the left end is **E** and the third letter of the third word from

the right end is **I** and the number of letters between them is **Three**

So, answer is **Three**

Answer: **C (Three)**

23) In this question we have to change the middle letter to the next letter as per English alphabetical series, so the new series will look like this:

LENON JUJCE DRJNK GLBSS DAJLY

As per this new series, there are only two words which do not have any vowel and they are **DRJNK** and **GLBSS**

So, answer is **DRJNK** and **GLBSS**

Answer: **C (Two)**

24) In this question we have to interchange the third and the fifth letter of all the words and the new series will look like this:

LENOM JUECI DRKNI GLSSA DAYLI

As per this new series there are four words which ends with vowel and they are **JUECI**, **DRKNI**, **GLSSA** and **DAYLI**

So, answer is **JUECI**, **DRKNI**, **GLSSA** and **DAYLI**

Answer: **E (More Than Three)**

Alphabet Series Questions for Bank PO Prelims Exam

25) In this question we have to change first letter of each word with its opposite letter and the new series will look like this:

OEMON QUICE WRINK TCLASS WAILY

As per this new series, there are four words which start with consonant and they are **QUICE, WRINK, TCLASS and WAILY**

So, answer is **QUICE, WRINK, TCLASS and WAILY**

Answer: **D (More Than Three)**

Answers (26-30):

26) **D**

27) **A**

28) **B**

29) **D**

30) **C**

Solutions (26-30): The series given in this question is:

MAIZE DRIVE TEASE ALONG STORM

26) In this question, we have to change all the consonants to the next letter and the vowels are changed to the previous letter as per English alphabetical series and the new series will look like this:

NZHAD ESHWD UDZTD ZMNOH TUNSN

As per this above series which is newly formed, there are no meaningful words which are framed.

So, answer is **NONE**

Answer: **D (None)**

27) In this question, firstly, we have to arrange all the vowels in alphabetical order and then all the consonants in reverse alphabetical order within the word and the new series will look like this:

AEIZM EIVRD AEETS AONLG OTSRM

As per this above series which is newly formed, there are no meaningful words which are framed.

So, answer is **NONE**

Answer: **A (None)**

28) In this question, we will take the series of the previous question and the series will be like this:

AEIZM EIVRD AEETS AONLG OTSRM

Now, in this series first we will write all the vowels in alphabetical order and then all the consonants in the reverse alphabetical order and the new series will look like this:

Alphabet Series Questions for Bank PO Prelims Exam

AAAEIEEEHIOOZVTTSRRNMMLGD

As per the new series the letter which tenth from the right end is **S** and the ninth to the left of **S** is **E**

So, answer is **E**

Answer: **B (E)**

29) In this question we have to arrange all the letters in an alphabetical order within each word and the new series based on this will look like this:

AEIMZ DEIRV AEEST AGLNO MORST

As per the above new series there are three words which have two or more than two vowels which are together and these words are **AEIMZ, DEIRV and AEEST**

So, answer is **AEIMZ, DEIRV and AEEST**

Answer: **D (Three)**

30) In this question we have to eliminated middle letter of each word and the new series will look like this:

MAZE DRVE TESE ALNG STRM

As per this series, there are two words which have at least two vowels and they are **MAZE and TESE**

So, answer is **MAZE and TESE**

Answer: **C (Two)**

Answers (31-35):

31) A

32) C

33) B

34) C

35) D

Solutions (31-35): The series given in this question is:

BRING ALERT FRAUD CRUEL NOVEL

31) In this question, we have to arrange all the letters in reverse order within each word and the new series will look like this:

GNIRB TRELA DUARF LEURC LEVON

As per this series, there is only one meaningful word which is framed and that word is **LEVON**

So, answer is **LEVON**

Answer: **A (One)**

32) In this question we have to add letters TY at the end of each word and the new series will look like this:

**BRINGTY ALERTY FRAUDTY CRUELTY
NOVELTY**

Alphabet Series Questions for Bank PO Prelims Exam

As per this new series there are only meaningful words which are framed and they are **CRUELTY** and **NOVELTY**

So, answer is **CRUELTY** and **NOVELTY**

Answer: **C (Two)**

33) In this question we have to change the first letter of each word with the opposite letter of that word and the new series based on this will look like this:

YRING ZLERT URAUD XRUEL MOVEL

As per this new series there is only one word which is starting with vowel and that word is **URAUD**

So, answer is **URAUD**

Answer: **B (One)**
