Alphabet Series

Directions (1-3): The following questions are based on the five three letter words given below.

ALL HOW MAD NEW ANY

1. If the positions of the first and third letters of all the words are interchanged, how many words will form meaningful English words?

- A) None
- B) One
- C) Two
- D) Three
- E) Four

2. If all the letters in each of the words are arranged alphabetically (within the word from left to right), how many words will remain unchanged?

- A) One
- B) Two
- C) Three

Alphabet Series for IBPS RRB PO Prelims Exam

- D) Four
- E) None

3. If the first letter of all the words is changed to its next letter of the English alphabetical series, then how many words will have more than one vowel?

- A) One
- B) Two
- C) Three
- D) Four
- E) Five

Directions (4-6): Answer these questions referring to the letter sequence given below:

P S C R U V B L H V W D G Y F X Y B M O D M Q A M

4. If the letters of the above given series are written in reverse order, which letter will be the fourth to the left of eleventh letter from the right end?

- A) F
- B) G
- C) H
- D) L
- E) None of These

5. What will come in place of question mark (?) in the following series?

SRC VLB VDW ?

- A) YFX
- B) YXF
- C) FYX
- D) FXY
- E) None of These

6. Which of the following is seventh to the right of the seventeenth letter from the left end?

- A) A
- B) B
- C) C
- D) D
- E) E

Alphabet Series for IBPS RRB PO Prelims Exam

Directions (7-8): The following questions are based upon the alphabetical series given below-

B S M Q U A M H J S D K R E N Z R S I K O

7. What will come in place of question mark (?) in the following series?

BM AH DR ?

- A) SZ
- B) DK
- C) ZX
- D) ZS
- E) None of These

8. Which of the following is the seventh to the right of the third letter from the left end?

- A) J
- B) S
- C) D
- D) K
- E) None of These

Directions (9-10): Answer these questions referring to the letter sequence given below:

L H W U D I Y X A N P S D Q T W C

9. How many letters are there between first and second last letter (from left to right) of the above series according to alphabetical order?

- A) 8
- B) 9
- C) 10
- D) 11
- E) 12

10. Which of the following is the sixth letter to the left of the 11th letter from left end?

- A) A
- B) B
- C) C
- D) E
- E) D

Alphabet Series for IBPS RRB PO Prelims Exam

Directions (11-15): Study the following questions and answering the questions referring to the word sequence given below:

NEXT ACID BACK COME DARK

11. If words are arranged according to the alphabetical series from right to left, then which word is third from the left end?

- A) ACID
- B) BACK
- C) COME
- D) NEXT
- E) DARK

12. If each letter is arranged according to the alphabetical series within each word (from left to right), then which is the fourth letter of the word, which is second from the left end?

- A) A
- B) D
- C) C
- D) I
- E) None of These

13. If each vowel in the word is changed to its previous letter and each consonant change to the next letter according to the alphabetical series, then how many words contain vowel?

- A) One
- B) Two
- C) Three
- D) Four
- E) None of These

14. If each consonant in the word is changed to its next letter according to the alphabetical series, then how many meaningful words can be formed?

- A) One
- B) Two
- C) Three
- D) Four
- E) None of These

15. If 2nd and 4th letter of each word are interchanged, then how many meaningful words can be formed?

- A) One
- B) Two

Alphabet Series for IBPS RRB PO Prelims Exam

- C) Three
- D) More Than Three
- E) None

Directions (16-18): Study the following information carefully and answer the questions given below:

BOY CAN GYM INK KEY

16. If each vowel is changed to the previous letter and each consonant is changed to the next letter, then how many meaningful words can be formed?

- A) None
- B) One
- C) Two
- D) Three
- E) Four

17. How many letters are there as per English alphabetical order between the last letter of the second word and first letter of the third word from the left end when all the words are arranged alphabetically from left to right?

- A) Five
- B) Four
- C) Six
- D) Seven
- E) Eight

18. If the first and third letters are interchanged, the second letter is changed to the next letter, then how many words contain at least two vowels?

- A) Two
- B) Three
- C) Four
- D) One
- E) None

Directions (19-20): Study the following information carefully and answer the questions given below:

CROWN GRAND HEART NOVEL SHIFT

19. If each consonant is replaced by next letter and each vowel is replaced by its previous letter, then which of the following word is second from the left end when all the words are arranged in ascending order from left to right?

Alphabet Series for IBPS RRB PO Prelims Exam

- A) HEART
- B) NOVEL
- C) GRAND
- D) CROWN
- E) SHIFT

20. If the first and fourth letters are interchanged, second and third letters are interchanged within the word and the fifth letter is replaced by its next letter, then how many letter appear twice within the word?

- A) None
- B) One
- C) Two
- D) Three
- E) Four

Directions (21-23): Study the series of five 5-letter words given below and answer the questions below.

THINK INPUT DRINK ROBIN HAPPY

21. If first letter of each word from left is replaced by 'E', then how many meaningful words can be formed?

- A) None
- B) One
- C) Two
- D) Three
- E) None of These

- A) INPUT
- B) DRINK
- C) ROBIN
- D) THICK
- E) None of These

23. If all the consonants are replaced by previous letter and all the vowels are replaced by next letter, then how many words are having two or more same letter?

- A) Two
- B) One
- C) Three
- D) More Than Three

Alphabet Series for IBPS RRB PO Prelims Exam

E) None of These

Directions (24-28): Study the following information carefully and answer the below questions:

OLD SHE NAP SAY USE TAN

24. If all the 2nd letter of the words is changed to their next letter as in the alphabetical order then how many meaning full words are formed?

- A) None
- B) One
- C) Two
- D) Three
- E) More Than Three

25. How many letters are there between 3rd and 3rd letter of the word which is from extreme left and extreme right end respectively after arranging all words in alphabetical order (from left to right)?

- A) 12
- B) 13
- C) 10
- D) 14
- E) 15

26. All the letters of words are arranged in alphabetical order within the word from left to right end. What is the 1st letter of the 3rd word from right end?

- A) B
- B) C
- C) D
- D) E
- E) A

27. If all the letters in the words are arranged in the reverse alphabetical order (from right to left within the word). After that all the words are arranged as in alphabetical order from left to right end, then which is the third letter of the first word from the right end?

- A) B
- B) C
- C) D
- D) A
- E) E

Alphabet Series for IBPS RRB PO Prelims Exam

28. If all the vowels in the words are changed to next letter as in the alphabetical order and all the consonants are changed to previous letter as in alphabetical order. How many words contain at least one vowel after arrangement?

- A) Two
- B) One
- C) Three
- D) More Than Three
- E) None

(Directions 29–32): The given questions are based on five, 4-letter words which are given below. Study the following information carefully and answer the questions given below it.

BOMB ROOF SOUL NICE MANY

29. If 'C' is added before each given word then, how many 5-letter meaningful word can be formed?

- A) One
- B) Three
- C) Four
- D) None
- E) Two

30. If all the letters within given words are arranged in reverse alphabetical order (right to left) and thus newly formed words are rearranged as they appear in dictionary (from left to right) then, which of the following word appears third from the left end?

- A) BOMB
- B) SOUL
- C) ROOF
- D) NICE
- E) MANY

31. If all the letters of the words are written together in an alphabetical order (from right to left) without any space then, how many letters are there in alphabetical series between sixth letter from left end and fifth letter from right end in the English alphabet series?

- A) 5
- B) 6
- C) 7
- D) 11
- E) 8

Alphabet Series for IBPS RRB PO Prelims Exam

32. If all the Vowels are changed to previous letter while all the consonants are changed to next letter within same word then, in how many newly formed words having two or more same letter?

- A) One
- B) Two
- C) Three
- D) Four
- E) More Than Four

Directions (33-35): Study the following information carefully and answer the questions given below:

ACT FED DIP HIM GEM

33. If each vowel is changed to previous letter and each consonant is changed to next letter, then all the words are arranged according to alphabetical order from left to right, then which of the following word is fourth from the left end?

- A) DIP
- B) HIM
- C) GEM
- D) ACT
- E) None of These

34. How many letters are there as per English alphabetical order between second letter of third word and second letter of fourth word from the left end when all the words are arranged alphabetically from left end?

- A) None
- B) One
- C) Two
- D) Three
- E) Four

35. If 2nd and 3rd letters are interchanged and first letter is changed to second next letter, then how many meaningful English words can be formed?

- A) One
- B) Two
- C) Three
- D) More Than Three
- E) None

Alphabet Series for IBPS RRB PO Prelims Exam

(Directions 36-40): Study the following information carefully and answer the questions given below it.

CFD WVU TSR XYZ KLM

36. If first and second letters of all the words are interchanged within themselves then how many meaningful words can be formed?

- A) None
- B) One
- C) Two
- D) Three
- E) Four

37. If all the consonants of each word are changed to its previous letter then how many words will have only consonants?

- A) One
- B) Two
- C) Three
- D) More Than Three
- E) None of These

38. If all the words are arranged in alphabetical order from right to left then which of the following will be second from the left end of the series?

- A) XYZ
- B) WVU
- C) TSR
- D) KLM
- E) CFD

39. How many meaningful words can be formed with the first and last letter of each word separately (in same order)?

- A) One
- B) Two
- C) Three
- D) More Than Three
- E) None

40. How many meaningful words can be formed by placing the vowels in the middle of the words (consider only the words having vowels)?

- A) One
- B) Two

Alphabet Series for IBPS RRB PO Prelims Exam

- C) None
- D) Three
- E) None of These

Direction (41-44): These questions are based on five three-letter words given below.

ABS GOT SIX ONE WAX

41. If the first and second letters in each word are interchanged, then which of the following is the second word from the left end, if they are arranged as in the English dictionary (from left to right)?

- A) SIX
- B) ABS
- C) GOT
- D) ONE
- E) WAX

42. If all the letters in each word are arranged in alphabetical order from left to right and then arrange the words as in the English dictionary from right to left. Which of the following will be exactly in the middle?

- A) SIX
- B) GOT
- C) ONE
- D) WAX
- E) ABS

43. If all the vowels are changed to previous letter and all the consonants are changed to next letter as in the English alphabetical order. Then how many words does have repeated letter within the word?

- A) More Than Three
- B) Three
- C) Two
- D) One
- E) None

44. Which of the following letters is the middle letter of the word which is third to the left of the word which is at the right end?

- A) G
- B) T
- C) A
- D) O
- E) S

Alphabet Series for IBPS RRB PO Prelims Exam

Direction (45-48): Read the following information carefully and answer the questions given below.

WEB NET YOU TWO RAT

45. If all the vowels are changed to second next letter and all the consonants are changed to second previous letter as in the English alphabet series. Then in how many words a letter appears twice?

- A) None
- B) One
- C) Two
- D) Three
- E) Four

46. If all the letters in each word are arranged as in the English alphabet series from right to left and then arrange the words as in the English dictionary from left to right. Then which of the following word is second from the right end?

- A) TWO
- B) WEB
- C) NET
- D) YOU
- E) RAT

47. If first and the last letters in each word are interchanged and then arrange the words as in the English dictionary from left to right. Then which of the following letter will be third letter of the second word from the left end?

- A) O
- B) W
- C) T
- D) A
- E) None of These

48. How many letters are there in between the middle letter of the second word from the right end and the first letter of the first word from the left end as in the English alphabet series?

- A) One
- B) Two
- C) Three

- A) One
- B) Two
- C) Three
- D) More Than Three
- E) None of These

Detailed Explanation with Answers

Answers (1-3):

- 1) B
- 2) C
- 3) B

Solutions (1-3): The series given in this question is:

ALL HOW MAD NEW ANY

1) In this question we have to change the positions of the first and third letters of all the words are interchanged and the new series will look like this:

LLA WOH DAM WEN YNA

As per the above new series the meaningful word formed is DAM. So, answer is **ONE**

Answer: **B (ONE)**

2) In this question all the letters in each of the words are arranged alphabetically (within the word) and the new series will look like this:

Alphabet Series for IBPS RRB PO Prelims Exam

ALL HOW ADM ENW ANY

As per the new series which is formed there are three words which remained unchanged. So, answer is **Three**.

Answer: C (**Three**)

3) In this question, we have to change the first letter of the series with the next letter as per the English alphabetical series and the new series will look like this:

BLL IOW NAD OEW BNY

As per the newly formed series there are only two words which has more than one vowel and that word is: **OEW and IOW**

So, answer is **TWO**

Answer: B (**Two**)

Answers (4-6):

4) A

5) B

6) A

Solutions (4-6): The series given in this question is:

P S C R U V B L H V W D G Y F X Y B M O D M Q A M

4) In this question we have to write the series in reverse order and the new series will look like this:

M A Q M D O M B Y X F Y G D W V H L B V U R C S P

As per the series, the eleventh letter from the right end is **W** and fourth letter to the left of this letter is **F**.

So, answer is **F**

Answer: A (**F**)

5) In this question we have to find the pattern between the letters and the different pair as per given in the question and the pattern is:

In the pair, third letter is between the first and the second letter as per the series and between the two adjacent pairs one letter is left and then next letter is written

As per this pattern the next pair will be: **YXF**

So, answer is **YXF**

Alphabet Series for IBPS RRB PO Prelims Exam

Answer: **B (YXF)**

6) In this question we have to find the letter which is seventh to the right of the seventeenth letter from the left end. As per the series given in the question, the letter which is seventeenth letter from the left end is **Y** and the seventh letter to the right of this letter is **A**

So, answer is **A**

Answer: **A (A)**

Answers (7-8):

7) **D**

8) **B**

Solutions (7-8): The series given in this question is:

B S M Q U A M H J S D K R E N Z R S I K O

7) In this question, we have to find the pattern between the letters and the pairs as well as per the given series. The pattern is there is a gap of one letter between the letters of the pair and there is a gap of two letters between the pairs and then the letter is written.

As per this pattern, the next pair will be: **ZS**

So, answer is **ZS**

Answer: **D (ZS)**

8) In this question, we have to find the seventh to the right of the third letter from the left end.

As per the series given in the question, letter which is third from the left end is **M** and the letter which is seventh to the right of this letter is **S**

So, answer is **S**

Answer: **B (S)**

Answers (9-10):

9) **C**

10) **E**

Solutions (9-10): The series given in this question is:

L H W U D I Y X A N P S D Q T W C

Alphabet Series for IBPS RRB PO Prelims Exam

9) In this question we have to find the number of letters between first and second last letter of the above series as per English alphabetical series

First letter of this series is **L** and the second last of this series is **W** and between them there are **10 letters**

So, answer is **10**

Answer: **C (10)**

10) In this question, we have to find the sixth letter to the left of the 11th letter from left end

As per the series the letter which is 11th from the left end is **P** and the sixth letter to the left of **P** is **D**

So, answer is **D**

Answer: **E (D)**

Answers (11-15):

11) **C**

12) **D**

13) **C**

14) **A**

15) **E**

Solutions (11-15): The series given in this question is:

NEXT ACID BACK COME DARK

11) In this question we have to arrange according to the alphabetical series from right to left and the new series will look like this:

NEXT DARK COME BACK ACID

As per the new series the word which is third from the left end is **COME**

So, answer is **COME**

Answer: **C (COME)**

12) In this question, we have to arrange each letter alphabetically within each word, and the new series will look like this:

ENTX ACDI ABCK CEMO ADKR

As per the new series word which is second from the left end is **ACDI** and the fourth letter of this word is **I**

So, answer is **I**

Answer: **D (I)**

Alphabet Series for IBPS RRB PO Prelims Exam

13) In this question, we have to change each vowel to its previous letter and each consonant change to the next letter according to the alphabetical series and the new series will look like this:

ODYU ZDHE CZDL DNND EZSL

As per the given new series, the words which contain vowel are: **ODYU, ZDHE and EZSL**

So, answer is **ODYU, ZDHE and EZSL**

Answer: **C (Three)**

14) In this question we have to change each consonant to next letter and the new series will look like this:

OEYU ADIE CADL DONE EASL

As per the new series there is only one word which is meaningful and framed and that word is **DONE**

So, answer is **DONE**

Answer: **A (One)**

15) In this question, we have to interchange 2nd and 4th letter of the word and the new series will look like this:

NTXE ADIC BKCA CEMO DKRA

As per the given series there are no meaningful words formed after the operations

So, answer is **NONE**

Answer: **E (None)**

Answers (16-18):

16) A

17) C

18) D

Solutions (16-18): The series given in this question is:

BOY CAN GYM INK KEY

16) In this question, we have to change each vowel is changed to the previous letter and each consonant is changed to the next letter and the new series will look like this:

CNZ DZO HZN HOL LDZ

Alphabet Series for IBPS RRB PO Prelims Exam

As per the new series, there are no meaningful words formed after the performing of the operations.

So, answer is **NONE**

Answer: **A (None)**

17) In this question, we have to arrange the words alphabetically and the new series will look like this:

BOY CAN GYM INK KEY

As per the new series the word which is second from the left end is **CAN** and the last letter of this word is **N** and the first letter of the third word is **G** and the number of letters between **N** and **G** is **six**

So, answer is **SIX**

Answer: **C (Six)**

18) In this question, we have to interchange first and the third letter and second word is changed to the next letter and the new series will look like this:

YPB NBC MZG KOI YFK

As per the new given series, there is only one word which has at least two vowels and that word is: **KOI**

So, answer is **KOI**

Answer: **D (One)**

Answers (19-20):

19) C

20) B

Solutions (19-20): The series given in this question is:

CROWN GRAND HEART NOVEL SHIFT

19) In this question we have to change each consonant to the next letter and each vowel is replaced by its previous letter and the new series will look like this:

DSNXO HSZOE IDZSU ONWDM TIHGU

As per the new series, the word which is second from the left end is **HSZME** and this word is obtained after performing operations on **GRAND**

So, answer is **GRAND**

Alphabet Series for IBPS RRB PO Prelims Exam

Answer: **C (GRAND)**

20) In this question we have to interchange first and fourth letters and 2nd and 3rd letters are also interchanged and the fifth letter is also changed to the next letter and the new series will look like this:

WORCO NARGE RAEHU EVONM FIHSU

As per the new series, there is only one word which in which one letter is appeared twice and that word is **WORCO**
So, answer is **WORCO**

Answer: **B (One)**

Answers (21-23):

21) A

22) B

23) C

Solutions (21-23): The series given in this question is:

THINK INPUT DRINK ROBIN HAPPY

21) In this question, we have to replace the first letter of the word with E, the new series will look like this:

EHINK ENPUT ERINK EOBIN EAPPY

As per the new series, there are no meaningful words which are formed after performing the operations
So, answer is **None**

Answer: **A (None)**

22) In this question, we have to arrange all the letters are arranged in alphabetical order from left to right within the word and the new series will look like this:

HIKNT INPTU DIKNR BINOR AHPPY

Now, we have to arrange the new series in alphabetical order from left to right is:

AHPPY BINOR DIKNR HIKNT INPTU

As per the new series, word which is third from the left end is **DIKNR** and this word is formed after performing operations on **DRINK**

Alphabet Series for IBPS RRB PO Prelims Exam

So, answer is **DRINK**

Answer: **B (DRINK)**

23) In this question, we have to replace all the consonants with the previous letters and all the vowels with the next letters and the new series will look like this:

SGJMJ JMOVS CQJMJ QPAJM GBOOX

As per the new series, there are three words in which there are two or more same letters are there and they are: **SGJMJ, CQJMJ and GBOOX.**

So answer is **SGJMJ, CQJMJ and GBOOX.**

Answer: **C (Three)**

Answers (24-28):

24) A

25) C

26) E

27) D

28) B

Solutions (24-28): The series given in this question is:

OLD SHE NAP SAY USE TAN

24) In this question, we have to change 2nd letter of each word with the next letter and the new series will look like this:

OMD SIE NBP SBY UTE TBN

As per the new series there are no meaningful words are framed after performing the operations.

So, answer is **NONE**

Answer: **A (None)**

25) In this question we have to arrange all the words in the alphabetical order and the new series will look like this:

NAP OLD SAY SHE TAN USE

Alphabet Series for IBPS RRB PO Prelims Exam

As per the new series the word which is from the extreme left is **NAP** and third letter of this word is **P** and the word which is extreme right from this series is **USE** and the 3rd letter of this word is **E** and the number of letters between **P** and **E** is **10**

So, answer is **10**

Answer: **C (10)**

26) In this question we have to arrange all the letters in alphabetical order within the word and the new series will look like this:

DLO EHS ANP ASY ESU ANT

As per the new series the word which is 3rd from the right end is **ASY** and the first word of this word is **A**

So, answer is **A**

Answer: **E (A)**

27) In this question, firstly we have to arrange all the letters within the word in reverse alphabetical order and the new series will look like this:

OLD SHE PNA YSA USE TNA

Now, we have to arrange this new series in alphabetical order from the left right and the new series will look like this:

OLD PNA SHE TNA USE YSA

As per the new series word which is first from the right end and that word is **YSA** and the third letter of this word is **A**

So, answer is **A**

Answer: **D (A)**

28) In this question, we have to change each vowel is changed to next letter and all the consonants is changed to previous letter as in alphabetical order and the new series will look like this:

PKC RGF MBO RBX VRF SBM

As per the new series, there is only one word which has at least one vowel is **MBO**.

So, answer is **MBO**

Answer: **B (One)**

Answers (29-32):

Alphabet Series for IBPS RRB PO Prelims Exam

29) D

30) C

31) E

32) E

Solutions (29-32): The series given in this question is:

BOMB ROOF SOUL NICE MANY

29) In this we have to add C to every word and the new series will look like this:

CBOMB CROOF CSOUL CNICE CMANY

As per the given new series there are no 5-letter meaningful word which is framed

So, answer is **NONE**

Answer: **D (None)**

30) In this question, we have to arrange all the letters in reverse alphabetical order within the word and the new series will look like this:

OMBB ROOF USOL NIEC YNMA

Now, we have to arrange the new series in the alphabetical order and the new series will be like this:

NIEC OMBB ROOF USOL YNMA

As per the new series, the word which is third from the left end is **ROOF**

So, answer is **ROOF**

Answer: **C (ROOF)**

31) In this question we have to arrange all the letters of the words in the alphabetical order and the new series will look like this:

ABBCEFILMMNNOOOORSUY

Now as per the series the letter which is sixth from the left end is **F** and the letter which is 5th from the right end is **O** and the number of letters between **F** and **O** is **8**

So, answer is **8**

Answer: **E (8)**
