Solution and Detailed Explanation

SOLUTION (1-5):

1. The one who has interview in Raipur has in a month which has less than 30 days.
2. K has interview in a month which has less than 31 days.
3. Only two people have interview between K and M.
4. M has interview immediately before the one who has interview in Chennai.

We can not place K on April as per condition number 3 and 4

Month	Person	City
January		
February	K	Raipur
March		
April		
May	M	
July		Chennai
August		

5. S has interview immediately after the one who has interview in Raipur.
6. Only three people have interview between S and the one who has interview in Delhi.
