Solutions 31-35

1. Only two persons are senior than U which means U is MD.

2. S is just senior than the one who belongs to HP. Neither COO nor JE belongs to HP.

3. U does not belong to HP. S is junior than the one, who belongs to UP. The one who belongs to MH is senior than S but junior than P, who is not the GM.

So, from the above clues it is clear that the one who works as SE, belongs to HP which means S works as COO. Also, either U or the one who works as CEO belongs to MH. So, we have two cases.

Case I: When U belongs to MH:

Designations	Persons	States
GM		
CMD	P	
MD	U	MH
CEO		
COO	S	
SE		HP
JE		

Case II: When the one who works as CEO belongs to MH:

Designations	Persons	States
GM

CMD	P

CEO		MH
COO	S

4. R is immediate junior to the one who belongs to MP and is not the SE. T belongs to Kerala and is junior than V but not immediate junior.

5. V does not belong to UP. P does not belong to Assam. So, case I is invalid as we can't place R in case I and in case II R must be working as CEO.

6. T belongs to Kerala and V is senior than T but not immediate senior. So, V must be working as GM.

7. S is junior to the one who belongs to UP which means P belongs to UP as V does not belong to UP so, V belongs to UK and S belongs to Assam.

The final arrangement is as follows:

Designations	Persons	States
GM	V	UK
CMD	P	UP
MD	U	MP
CEO	R	MH

COO	S	Assam
SE	Q	HP
JE	T	Kerala

1. Trainee has one pen less than V. U has four pens more than the trainer. V doesn't have 8 pens.

So, Trainee has either 2 or 3 pens. U has either 7 or 6 pens.

No. of pens	Case I		Case II	
2		Trainee		Trainer
3	V	Trainer		Trainee
4			V	
6			U	
7	U			
8				

2. S is the SE, this is not possible in case I, so case I is rejected.

3. W has fewer pens than X but not the lowest.

Profession Based Puzzle Questions for SBI PO Prelims 2020-21

So, S has 7 pens. W has 3 pens, X has 8 pens. T has 2 pens and is the trainer.

No. of pens	Employees	Designation
2	T	Trainer
3	W	Trainee
4	V	
6	U	
7	S	SE
8	X	

4. DR has more pens than the PM but not the highest.

So, U is the DR, V is the PM and thus, X is the TL.

The final table is given below:

No. of pens	Employees	Designation
2	T	Trainer
3	W	Trainee
4	V	PM
6	U	DR
7	S	SE
8	X	TL

- The President took leave on Tuesday.
- T is ranked higher than P but lower than the AM which means T must be working as BM and P must be working as Clerk.

Designations	Persons	Days
President		Tuesday
GM		
AM		
BM	T	
PO		
Clerk	P	

3. U, who took leave on Friday, ranked higher than the one who is a BM in SBI.

4. At least two persons ranked between the one who took leave on Wednesday and the one who took leave on Monday but the one who took leave on Wednesday ranked higher than the one who took on Monday.

Now, U works as either GM or AM. So, we have two possibilities for U.

Case I: When U works as GM:

Profession Based Puzzle Questions for SBI PO Prelims 2020-21

Designations	Persons	Days
President		Tuesday
GM	U	Friday
AM		Wednesday
BM	T	
PO		
Clerk	P	Monday

Case II: When U works as AM:

Designations	Persons	Days
President		Tuesday
GM		Wednesday
AM	U	Friday
BM	T	
PO		Monday
Clerk	P	

5. There are two people ranked between Q and the one who took leave on Thursday where Q's rank is higher than the one who took leave on Thursday.

6. S is not the AM. R who is ranked lower than S, took leave on Saturday.

Now, in case I, Q must be the President which means R must be working as PO and S works as AM which invalids the case I as S is not the AM.

Now, in case II Q either works as President or as GM but when Q works as GM we cannot fix R who took leave on Saturday, So, Q must be working as President and S works as GM.

The final arrangement is as follows:

Designations	Persons	Days
President	Q	Tuesday
GM	S	Wednesday
AM	U	Friday
BM	T	Thursday
PO	R	Saturday
Clerk	P	Monday

1. A joins in a month, which has 31 days. Two persons join between A and E, who is not a Trainee.

2. D joins two months after B. D is not a Trainer.

Profession Based Puzzle Questions for SBI PO Prelims 2020-21

So, A joins in July or December.

Month	Designation	Case I	Case II	Case III
February	Director	E	B	
April	SPM	B	D	B
June	PM	D		D
July	APM	A	E	E
September	Team Leader			
November	Trainer			
December	Trainee		A	A

- F joins after G, who doesn't join before C.
- G is not Team leader, so case II is rejected.
- C doesn't join in February, so case III is rejected.

So, F joins in December, G joins in November and C joins in September.

The final table is given below:

Month	Designation	Person
February	Director	E
April	SPM	B
June	PM	D
July	APM	A
September	Team Leader	C
November	Trainer	G
December	Trainee	F
